

Director

Duties include advocacy for issues of importance to Norfolk Southern Corporation and its subsidiary, Norfolk Southern Railway Company, particularly as it relates to Congressional activity in Washington, D.C. Other duties include educational and promotional outreach to stakeholders of Norfolk Southern, including members of the NS team and residents across the corporate footprint, as well as customers and shareholders of Norfolk Southern. Additional areas of involvement include the development and implementation of a PAC growth and retention strategy alongside internal PAC professionals and external PAC consultants.
